4One4All Safe Summer Basketball League kicks-off tomorrow

1st District **Alderman Ashanti Hamilton** is partnering with former National Basketball Association player Mike Taylor and the Taylor-Made Foundation MKE to present the 4One4All 3v3 Safe Summer Basketball League. The fun-filled skills camp and tournament is for boys and girls ages 5-14, and will take place Tuesdays and Wednesdays through August 11 from 5 – 8 p.m. at McGovern Park, 5400 N. 51st Blvd.

“I want to thank Mike Taylor and his foundation for helping to organize and support this safe summer basketball league. It is invaluable for our youth to have options like this one, and to also have the opportunity to learn from a former NBA player at the same time,” said Alderman Hamilton.

The summer basketball league is put on in partnership with Walmart, Teamsters Local 200, and IBEW local 494. Additional info can be found at <https://taylormadefoundation414.org/>.
