Thank you for your years of service Commissioner Polenske

**Statement of Common Council President Cavalier Johnson
November 19, 2021**

I want to extend a sincere thank you to Commissioner of Public Works Jeff Polenske for his three decades of service to our city, and congratulate him on his impending retirement. Jeff is a dedicated civil servant, and has time and time again demonstrated his passion and commitment to making Milwaukee a better place.

Having served in various capacities during three administrations, Jeff leaves behind an extensive list of accomplishments he can be proud of, and I wish him and his family nothing but the best as he pursues his next opportunity.
