Register for the 2021 HaRUNbee Walk/Run for Healthy Birth Outcomes today!

The **2021 HaRUNbee Walk/Run** for Healthy Birth Outcomes is right around the corner, and **Alderwoman Milele A. Coggs** is encouraging those interested in participating to register today. The event will take place in-person on Saturday, August 7th, or participants can also complete the Walk/Run in their own neighborhood or on self-designed routes from August 1 to August 7. The event will be part of the 10th annual Bronzeville Week which will take place August 7-14.

“Bronzeville Week is one of my favorite times of the year, and I am delighted that in 2021 we will be kicking things off with the in-person HaRUNbee walk/run,” said Alderwoman Coggs. “The goal of the HaRUNbee Walk/Run is to raise awareness of infant mortality, and encourage collaborations within the greater Milwaukee area to reduce it. Step one is signing up and there are a variety of ways to do so. I hope to see many new and returning participants at this year’s event.”

An in-person registration drive for the event will take place on Wednesday, July 14 from noon – 2 p.m. in the City Hall Rotunda, 200 E. Wells St. T-shirts are available for participants, and those wanting to secure a t-shirt are encouraged to register by Friday, July 16. Participants can also find additional information and register online by visiting www.bit.ly/HaRUNbee2021.
