6th District Landscape Awards contest seeks nominees

The very best in landscaping in the 6th Aldermanic District are again being sought by **Alderman Milele A. Coggs** as entries are now being accepted for the 6th District Landscape Awards. Special recognition for outstanding residential garden or landscaping efforts is sought, and residents are invited to nominate a neighbor or themselves for a property that is especially eye-catching or has been well-landscaped.

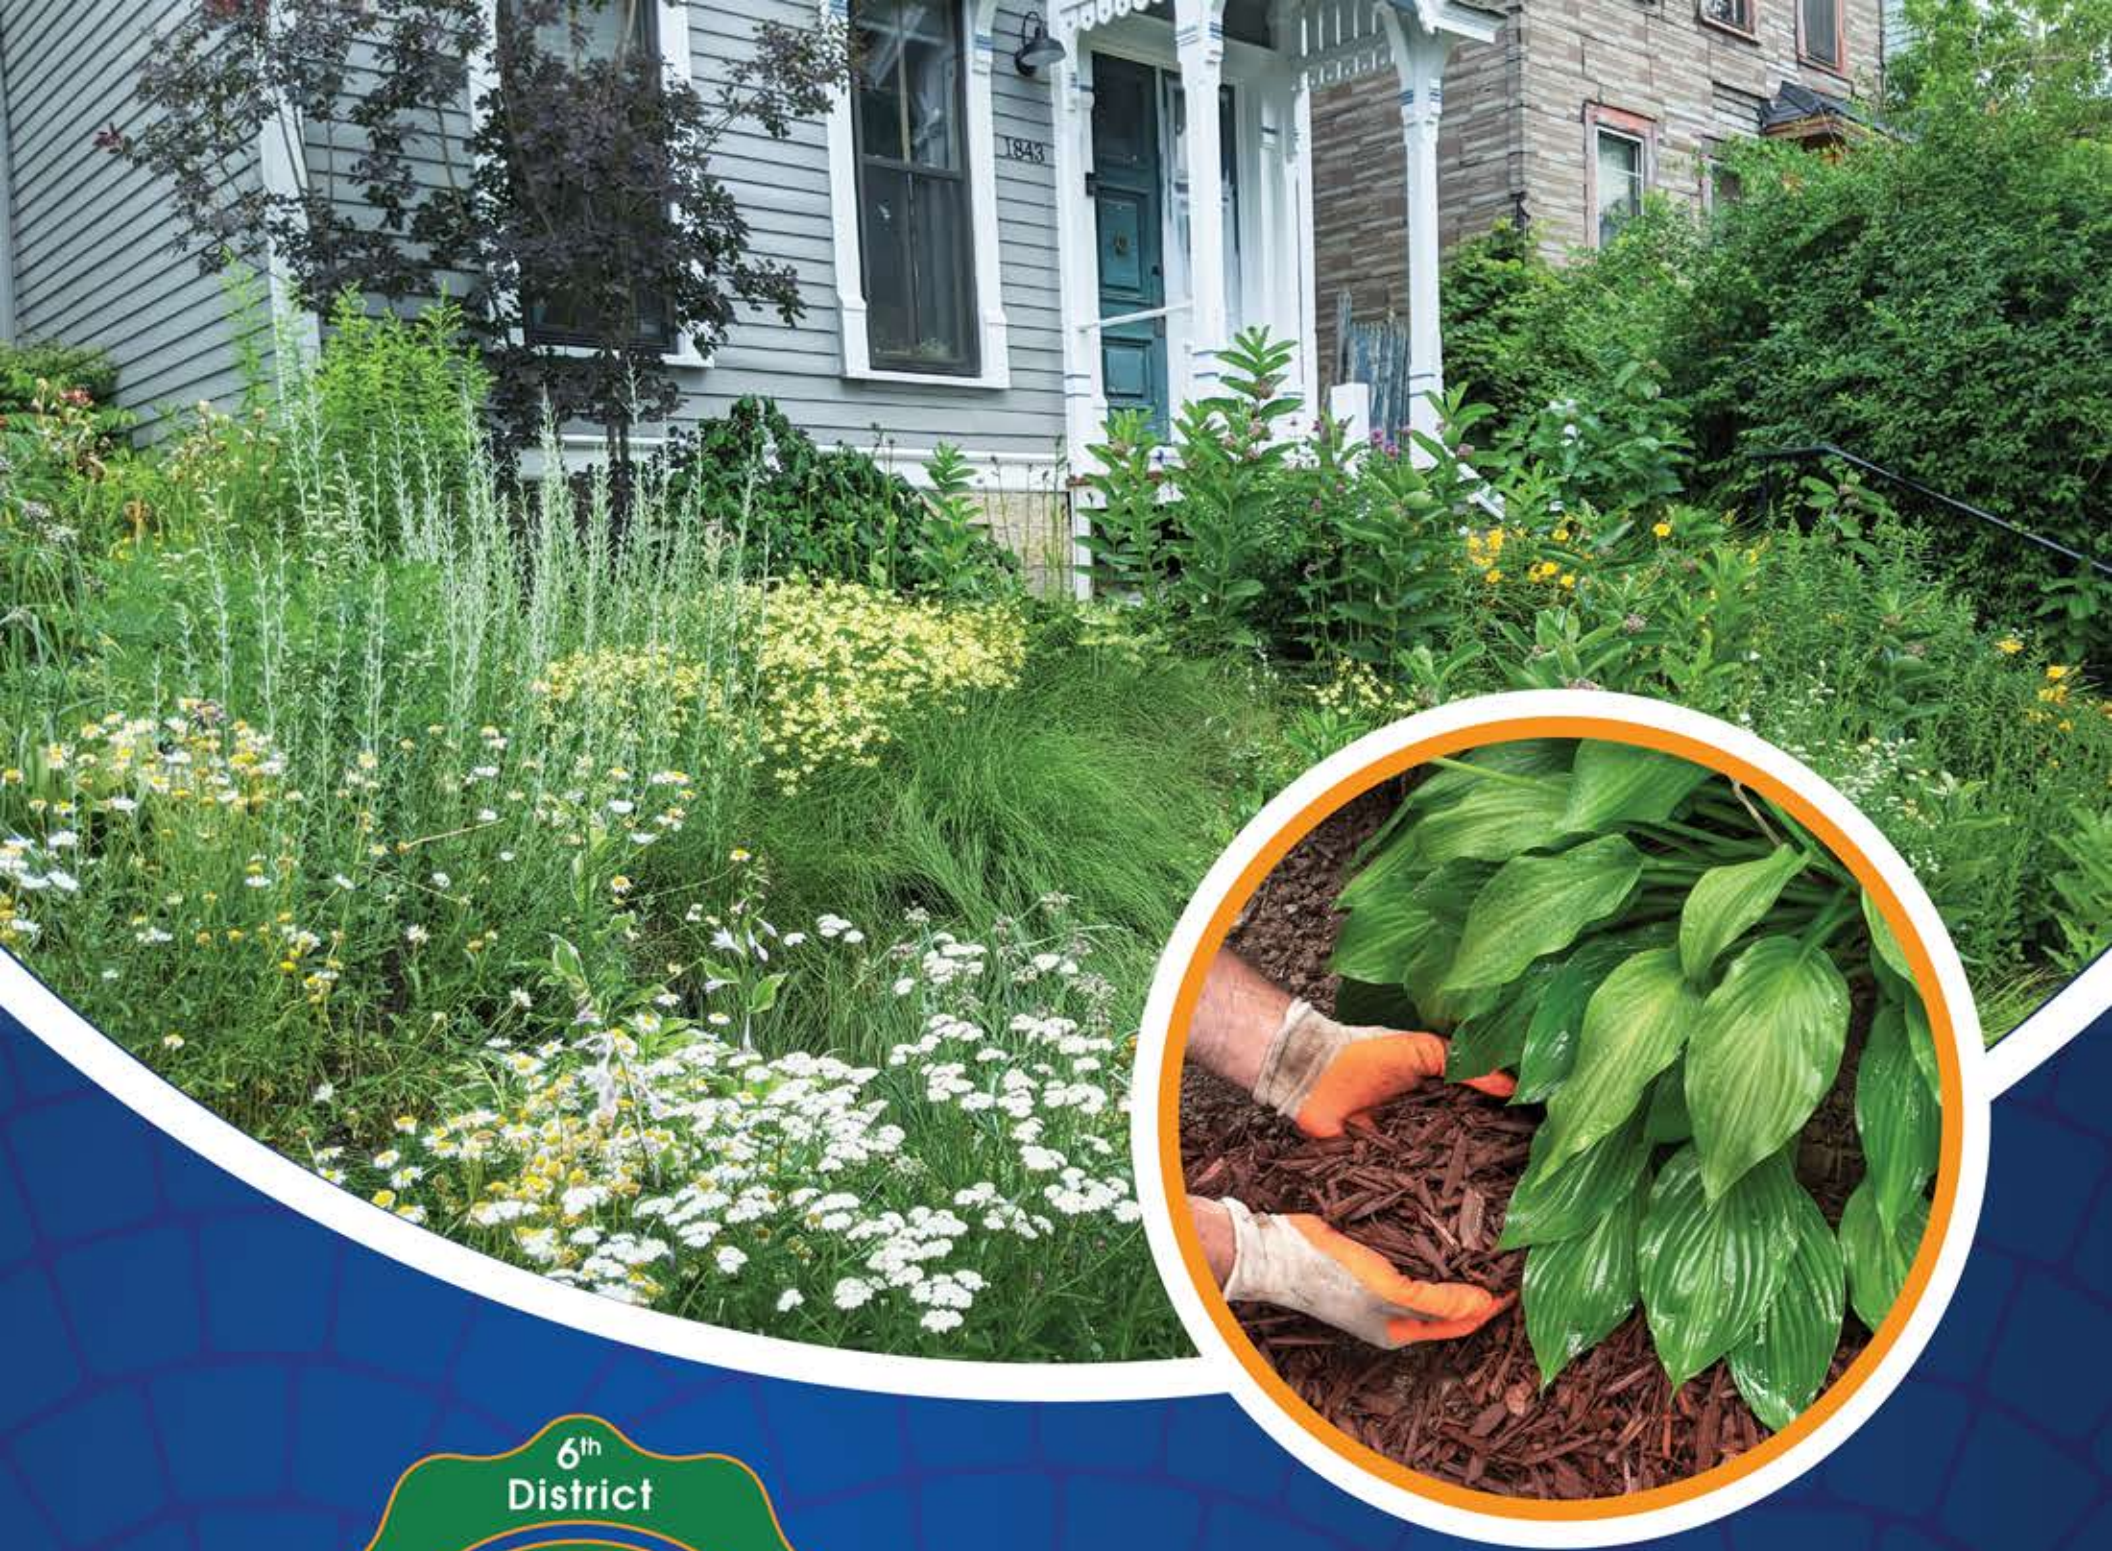

Alderman Coggs has long been committed to consistently supporting and encouraging the beautification and improvement of neighborhoods, and the 6th District Landscape Awards are a part of her Clean City Project.

“A well-managed property can really enhance the aesthetic of a neighborhood while boosting the quality of life for residents nearby. There are many residents who work extremely hard to keep their properties looking great, and I believe those people should be recognized for their hard work,” said Ald. Coggs. “If you, or someone who know, lives in the 6th District and goes above and beyond when it comes to landscaping, I would encourage you to nominate them for this award.”

To be considered, nominees’ names and addresses should be emailed to mcoggs@milwaukee.gov, and supporting digital photos are also recommended.

Nominations are due by the close of business on Friday, September 24th.
