## Residents can still participate in Single Family Homeownership Education Program

**Alderman Milele A. Coggs** wants to share with residents that there is still an opportunity to participate in the Martin Luther King Economic Development Corporation's Single Family Homes Program. The program seeks to educate City of Milwaukee Residents on the value, process, and opportunities to become a homeowner, particularly in the Harambee neighborhood. The virtual 8-week program is **free** and works to connect residents with vital information and resources.

"This free program is an amazing opportunity for anyone interested in becoming a homeowner, especially in Harambee and other 6<sup>th</sup> District neighborhoods," said Alderman Coggs. "While the program officially started this week, there is still an opportunity to participate and it is not too late to take advantage of the resources and information available."

Single Family Homes Program classes are one hour in length and occur virtually every Tuesday from 6 - 7 p.m. from August 24 through October 12. Registration information can be found online [here](#). For questions or additional information, please contact the Martin Luther King Economic Development Corporation via phone at (414) 264-5000 or via email at [info@mlkedcmke.org](mailto:info@mlkedcmke.org).
