Ambition Center coworking space set for grand opening on Tuesday

Alderman Milele A. Coggs is inviting the public to attend the grand opening of the Ambition Center, a new coworking and collaborative workspace located at 530 East Vienna Avenue. The Ambition Center focuses on providing remote professionals and service-based entrepreneurs a community space designed to inspire, encourage, empower, and grow the ideas of under-resourced professionals, entrepreneurs, freelancers, and creatives by offering local access to technology, resources, mentorship, and strategic connections.

The grand opening will take place on Tuesday, September 21 from noon – 1:30 p.m., and will feature remarks from CEO Marcell Jackson, tours of the Ambition Center, information on how to become a member and networking opportunities. Media coverage is invited.

The Ambition Center offers amenities such as high-speed internet, free business and career coaching, a media room, free parking, mailing services and more. Additional information can be found by visiting <https://www.ambitioncentermke.org/>.
