Tenant Resource Fair set for October 2nd

Alderwoman Milele A. Coggs is pleased to announce the upcoming **Tenant Resource Fair** that will occur next **Saturday, October 2 from 10 a.m. – 2 p.m.** at Andrew Douglas Middle School, 3620 N. 18th Street. The event is aimed at providing support to residents who have faced housing instability brought on by the COVID-19 pandemic. The resource fair will include a variety of organizations that will be on-hand to provide information, as well as workshops on topics of interest.

“I am thrilled that we are able to bring vital resources directly to the community during the Tenant Resource Fair next week. Since the COVID-19 pandemic began, many have dealt with a variety of housing related issues, and with the eviction moratorium having been lifted, it is crucial that those in need of support receive it sooner than later,” said Alderwoman Coggs. “I would encourage any resident in need of housing assistance to stop by the resource fair to get connected with the support they need. If you have friends, family members or neighbors who could benefit, encourage them to take advantage of this opportunity as well.”

The event, hosted by Alderwoman Coggs, is free and open to the public, and is put on in conjunction with Milwaukee County Supervisor Priscilla Coggs-Jones, RJR LLC and Manifest Management Group LLC. Masks will be required for all attendees.
