Alderwoman Coggs announces 6th District Landscape Award winners

Alderwoman Milele A. Coggs is pleased to announce the winners of the **6th District Landscape Awards**, a special recognition for outstanding residential garden or landscaping efforts throughout the 6th District. The 2021 winners, announced during the 6th District virtual town hall meeting on September 29th, are **Dominique Samari** from the Harambee neighborhood, and **Phoebe Lawrenz** from the Brewer's Hill neighborhood.

"I want to thank all of the participants who submitted applications for this year's landscape awards, and all of the area residents who take the time to beautify their neighborhood by maintaining creative and attractive landscaping on their property. Those who go above and beyond when it comes to landscaping help make our district, and the community at large, a better place to live, work and visit," said Alderwoman Coggs.

Alderwoman Coggs has consistently reiterated her commitment to supporting and encouraging the beautification and improvement of 6th District neighborhoods. The landscape award is a part of Alderwoman Coggs's broader Clean City Project.
