## **Statement of Alderwoman Chantia Lewis July 29, 2021**

Last evening I held my annual State of the District event in a virtual format, and if you missed it, you can now watch it anytime on your device or computer.

Just go to <https://youtu.be/mrFt36af1Ec> and catch up on the many topics of interest that were covered and the vast array of information shared pertaining to the #New9th. The state of the #New9th is strong and as always, I am eager to spread the word about what is happening across the district.

Please watch and share the video with your neighbors and friends.

Together we are building a #New9th and a city that are stronger and better than ever!
