Garden District rings in the holidays with multiple events this week

The 13th Aldermanic District – also known as the Garden District – will celebrate the holiday season with multiple events taking place this week. The annual district tree lighting will occur on Tuesday, December 7 at the intersection of 6th and Norwich, one block south of Howard. The program will begin at 6 p.m. and feature caroling by area schools with the tree lighting at 7 p.m. Free cookies and hot chocolate will be available while supplies last.

Area **Alderman Scott Spiker** is encouraging residents to come participate in the seasonal fun. “Every year the Garden District goes above and beyond to create a festive and welcoming set of events to spread holiday cheer,” he said. “We will kick-off the season with our annual tree lighting on Tuesday, and follow that up with Songs of the Season and our lights display on Saturday. I would invite residents from across the 13th and the entire city to come participate in the family-friendly fun.”

The Songs of the Season event will take place on Saturday, December 11 also at 6th and Norwich. Caroling will begin at 4 p.m. and conclude with illuminating the Winter Wonderland lights display at dusk. The Winter Wonderland display of lights features 50,000 lights, and will remain in-place through Tuesday, January 6, 2022.
