MEDIA ADVISORY

Garden District Spring Perennial Exchange will take place Saturday, May 22

13th District **Alderman Scott Spiker** is inviting residents to participate in the Garden District's Spring Perennial Exchange taking place on Saturday, May 22nd from 10 a.m. - noon.

"The annual perennial exchange event is a great way for neighbors to mingle safely outdoors, enjoy the warm weather, and prepare for the forthcoming gardening season," said Alderman Spiker. "I hope residents take advantage of this opportunity, and I look forward to seeing everyone there on Saturday."

The event is free and open to the public. Those looking to jump start their garden for the spring can bring their plants to exchange with fellow enthusiasts. For those with no plants to share or just looking to spruce up their homes, plenty of gardening items (bulbs, seeds, tools, and decorative items) will be available for pickup. For more information please visit the [Garden District Facebook page](#) or contact Dawn Riegel at dawn@milwaukeegdna.com.
