## MEDIA ADVISORY

### Perennial Exchange Continues Beautification Efforts on the South Side

**Alderman Scott Spiker** announced that citizen efforts to promote beautification of the Garden District will continue with the Garden District Neighborhood Association's Fall Perennial and Seed Exchange which is set to take place this Saturday, September 25, from 10 a.m. until noon. The event will occur at the parking lot at S. 6th Street and W. Norwich Avenue, one block south of Howard Avenue. The event is free and open to the public.

"Planting flowers in front of one's yard is such a simple activity, yet it never ceases to amaze me just how much of an impact it can have on a neighborhood, and the Perennial Exchange supports this effort by bringing neighbors together to connect and share with one another," said Alderman Spiker. "I really appreciate the Garden District Neighborhood Association volunteers who put on this event, and many others, together. They help to make sure that we are not just a landing pad, but a destination, and live up to our name of The Garden District."

**What: Fall Perennial Exchange**

**When: Saturday, September 25 – 10 a.m. to noon**
