Statement on Alfonso Morales settlement

Aldерwoman Marina Dimitrijevic
July 13, 2021

As chair of the Council's Public Safety and Health Committee, I'm glad this is over. Our city is ready to move forward with a permanent chief who is as committed as we are to healing from individual and systemic injustices and to restoring peace for all of our residents and visitors, families, and especially to the precious children who will one day be running this city.
