## Shop small this Saturday in the 15<sup>th</sup> District

This Saturday, November 27<sup>th</sup> is Small Business Saturday, and **Alderman Russell W. Stamper, II** is inviting residents citywide to shop local at one of the many small businesses in the 15<sup>th</sup> Aldermanic District. The 15<sup>th</sup> District is home to a variety of local businesses in the Lindsay Heights and Metcalfe Park neighborhoods, among others.

“Small businesses are the backbone of our economy, and there are many outstanding locally-owned and minority-owned operations within the 15<sup>th</sup> District,” said Alderman Stamper. “Small Business Saturday represents a tremendous opportunity to visit new areas in the city and support local businesses you might not otherwise know exist.”

Among the businesses hosting Small Business Saturday events in the 15<sup>th</sup> District is Clarke Street Candy Land located at 2606 North Teutonia Ave. They will be hosting a grand opening on November 27<sup>th</sup> from noon – 4 p.m. that includes penny candy, an assortment of holiday candies and free popcorn with any purchase. In addition to their storefront, the business offers candy buffets for all occasions, event planning, and catering services through partners.

“I’m thrilled about the addition of Clarke Street Candy Land to the Lindsay Heights neighborhood. I look forward to them succeeding and becoming a great community partner,” Alderman Stamper added.
