## Good team effort in helping homeless woman

### Statement of Alderman Russell W. Stamper, II February 26, 2021

For the past year a homeless woman has been living outside on the corner of N. 47<sup>th</sup> and W. Lisbon Ave.

I am very happy to say that we finally have been able to get her some help.

A sincere 'Thank You' to all of the constituents and community members who called, emailed (my office) and stopped to talk to her and tried to provide help and resources.

A very special 'Thank You' as well to Captain Johnson and his Milwaukee Police Department team for the daily check-ins and concerns (and also to Detective Troy).

I want to also recognize the Continuum of Care and the homeless prevention team at Milwaukee County, the Hmong community, and city Community Block Grant Administration Director Steve Mahan and his office.

This was a real issue where everyone helped and cared for this woman

Thankfully, she is now safe and getting the care she needs.
