Nominations now open for 6th District Landscape Awards

The very best in landscaping in the 6th Aldermanic District are again being sought by **Alderman Milele A. Coggs** as entries are now being accepted for the 6th District Landscape Awards. Special recognition for outstanding residential garden or landscaping efforts is sought, and residents are invited to nominate a neighbor or themselves for a property that is especially eye-catching or has been well-landscaped.

Alderman Coggs has long been committed to consistently supporting and encouraging the beautification and improvement of neighborhoods, and the 6th District Landscape Awards are a part of her Clean City Project.

“A visually appealing neighborhood provides many benefits that help improve the overall quality of life for the area. There are many residents who work extremely hard to keep their properties looking great, and I believe those people should be recognized for their continued efforts,” said Alderman Coggs. “If you or someone you know lives in the 6th District and goes above and beyond to keep their property looking great, I would encourage you to nominate them for this award.”

To be considered, nominees’ names and addresses should be emailed to mcoggs@milwaukee.gov, and supporting digital photos are also recommended.

Nominations are due by the close of business on Friday, October 7th.
