12th Annual Girls' Day @ City Hall to take place Tuesday, March 22

Every year in March, the annual **Girls' Day at City Hall** event seeks to expose girls (middle school to high school age) to possible careers in public service and elected office. Students will engage in stimulating discussions that both empower them to become future leaders, and introduce them to a career path in public service. This year, Girls' Day will return to an in-person format and take place on **Tuesday, March 22** from **8:30 a.m. – 2 p.m.**

The event is sponsored by the City of Milwaukee and **Alderman Milele A. Coggs**. Girls' Day is co-sponsored by **Alderman Chantia Lewis**, **Alderman Nikiya Dodd**, **Alderman Marina Dimitrijevic** and **Alderman JoCasta Zamarripa**.

The event will allow attendees the opportunity to view a Common Council meeting, and then be able to meet a number of local leaders and participate in panel discussions about public service led by women in the field.

Registration is required and the event will be **extremely limited for capacity** - no exceptions. Registration, along with additional information, can be accessed online at www.milwaukee.gov/GirlsDay.

Girls' Day 2022/ADD ONE

The Alderwomen of the Common Council are encouraging young women across Milwaukee to participate in this year's event in hopes of inspiring the next generation of young leaders.

“Currently, the Milwaukee Common Council includes the most women in the body's history, and these roles allow us to help influence both the present and future of our community in countless ways,” the Alderwomen said. “We must continue to make sure young women know how rewarding and fulfilling a career in public service can be, and why it is important for women to be represented in this space. Girls' Day is a fantastic opportunity to observe and learn about public service. Those interested in attending should register today.”
