## **We Locked In MKE sleepover event this weekend aiming to help city teens**

Alderman Russell W. Stamper, II is inviting the community to allow teens to spend a night ‘locked in’ this weekend to experience safety, wellbeing and personal growth.

Alderman Stamper said the youth advocacy group **We Locked In MKE** will promote positive energy and safe, nurturing activities for **youth ages 13 to 17** during its FREE ‘lockdown’ overnight on **Saturday, September 17 (tomorrow) and Sunday, September 18.**

There will also be free food and prizes at the event.

The event will take place at **3248 W. Brown St.** (Dream Team United MKE site). It will start at 8 p.m. tomorrow - Saturday (9/17) - and end at 7 a.m. on Sunday (9/18). **ALL** participants must pre-register [here](#) to be allowed to attend the session, and each participant must have a parent or guardian sign them in upon arrival.

Alderman Stamper said no one over 17 or not registered will be allowed in during the session, and security will be strictly enforced.

“Running the streets leads to trouble for most teens in Milwaukee, and We Locked In MKE is offering this tremendous opportunity to help teens while also helping to curb violence in our city, and offering an avenue to get our youth and city back on track,” the alderman said. “I strongly encourage parents and teens to get registered for this unique event.”
