## **MEDIA ADVISORY**

### **Alderman Stamper to Host May 19 Virtual Town Hall on new County Mental Health Clinic**

As part of Mental Health Awareness Month, **Alderman Russell W. The new clinic, operated by Milwaukee County's Behavioral Health Services, is located in the 15<sup>th</sup> Aldermanic District at Shafi Plaza, 1919 W. By providing more accessible and available mental health services to youth and their families, this clinic will improve the community's access to care.

**WHAT:** During the virtual town hall, Alderman Stamper and Milwaukee County Behavioral Health Services leaders will share details about the Milwaukee County Mental Health Clinic with the community and answer questions from residents.
