## Milwaukeeans: Take advantage of early voting options

Alderman Khalif J. Rainey and Alderman Mark Chambers, Jr. are urging voters to take advantage of the early voting locations across the City of Milwaukee that are now open for the 2023 Spring and Special Election on April 4.

Early in-person absentee voting opened on Tuesday (March 21) and will run through Saturday, April 1.

“We have important elections for local and statewide office, including the important race for a seat on the Wisconsin Supreme Court and three seats on the Common Council,” Alderman Rainey said. “Voting early is quick and easy, and I strongly encourage voters to take advantage of the opportunity at one of our early voting locations ([see listing below](#)).”

Alderman Chambers said he is pleased to hear that traffic has been steady this week already at the Midtown Center early voting location near N. 57<sup>th</sup> and W. Capitol Dr.

“The City of Milwaukee has worked diligently to increase the amount of time and options for voters to cast a ballot, and I am pleased to see such a strong turnout and expect thousands of voters to continue to turn out to vote prior to Election Day,” Alderman Chambers said.

“The election on April 4 will determine the course of our city and our state for the next several years and beyond, and it is vital that people have their voice heard,” he said.
