Annual Spring Perennial Exchange Helps Beautify Milwaukee's South Side

13th District Alderman Scott Spiker is pleased to share that the Garden District's Spring Perennial Exchange is set for this Saturday – May 20th from 10 a.m. to noon at 6th and Norwich (one block south of 6th and Howard). Whether you are an experienced gardener seeking new items for the season, or just looking to spruce up your yard, the Perennial Exchange provides an opportunity to pick up gardening related goodies to beautify your home or garden. The event is free and open to the public.

Returning this year, select perennials/annuals and vegetable plants will be available to purchase with the proceeds benefiting the Garden District Neighborhood Association.

“Every spring I look forward to the Perennial Exchange as residents from the 13th District and beyond gather over their love of gardening and making their homes a warm, inviting place,” said Alderman Spiker. “I greatly appreciate the Garden District Neighborhood Association and their volunteers who put on this event, and would encourage beginners and experts alike to stop by and pick up something new for the planting season.”

What: Spring Perennial Exchange
