Informational meeting regarding West Vliet Street reconstruction set for Tuesday, February 28

Alderman Russell W. Stamper, II and the City of Milwaukee, in partnership with the Wisconsin Department of Transportation (WisDOT), invites the public to attend an important meeting regarding the West Vliet Street (from N. 12th St. to N. 27th St.) reconstruction project on **Tuesday, February 28, from 1 p.m. to 3 p.m.** at the **Dr. Martin Luther King, Jr. Community Center (1531 W. Vliet St.)**. Business owners and residents are encouraged to attend and ask questions of project staff regarding construction, which is slated to begin early this spring.

“While the reconstruction of West Vliet Street is greatly needed, informing residents of the project’s impacts is equally as important,” said Alderman Stamper. “I highly recommend attending Tuesday’s meeting for insights regarding the project.”
