LAMONT WESTMORELAND
ALDERMAN, 5TH DISTRICT

Thistle and Shamrock to end its run; new business sought

Statement of Alderman Lamont Westmoreland
April 4, 2024

An establishment that has been a part of the daily life of the 5th Aldermanic District for more than a decade – Thistle and Shamrock at 84th and Lisbon – will sadly be closing its doors on May 17th.

I say sadly because Thistle and Shamrock is one of my favorite places in the district – an establishment that has hosted family birthday parties, election night watch parties, and other gatherings over the years. I think they have one of the best fish fries in town, and their alligator is definitely THE best, in my humble opinion!

The establishment has been open for 11 years and it will definitely be a loss to the area when they turn off the lights. I want to thank the owners, management and all of the staff for being part of our lives and the district over the years. In my view, they are definitely a model for how a business should be operated.

I want to encourage anyone wanting to fill the space with a LIKE business (family friendly pub/restaurant) to reach out to lepoldrealty@msn.com or call/text at (414) 617-8576. Potential business operators for the location should also reach out to me/my office to discuss a plan of operation.

I will be enjoying what Thistle and Shamrock has to offer a few more times while they're open, and I strongly encourage neighbors and other regular customers to do the same!
