Early voting starts TODAY– make your plan to vote!

Starting TODAY – Tuesday, February 4 – voters can participate in the early voting window at several locations across the City of Milwaukee for the 2025 Spring Primary Election on February 18.

Alderman Mark Chambers, Jr. said early in-person absentee voting will run through Saturday, February 15.

“We have some very important elections locally, including a primary for the 3rd Aldermanic District seat, following the passing of Alderman Jonathan Brostoff in November of 2024, and statewide for the State Superintendent of Public Instruction (the top state official of K-12 education),” Alderman Chambers said. “Voting early is quick and easy, and I strongly encourage voters to take advantage of the opportunity at one of our early voting locations.”

Please visit www.City.Milwaukee.gov/earlyvoting for early voting locations and times, and for additional information.

NOTE: Residents with questions about **Voter Registration** should go to Myvote.wi.gov for more information on how to register to vote.
