Ald. Lamont Westmoreland  
(414) 286-3870

## **Nominations being accepted for inaugural District 5 Beautification Award**

**Alderman Lamont Westmoreland** is seeking the very best residential and commercial landscaping for the inaugural District 5 Beautification Award. The recognition program, part of the Alderman's larger district-wide beautification project, seeks to recognize outstanding landscaping efforts and promote pride in local neighborhoods.

**Nominations will be accepted starting today – Wednesday, July 2 and will be accepted through end of day on Friday, July 18.** Nominations can be made by emailing [Lamont.Westmoreland@milwaukee.gov](mailto:Lamont.Westmoreland@milwaukee.gov) or by calling (414) 286-3870, and should include the address of the District 5 residence or business being nominated. Nominations must be made by either a District 5 resident or business owner, and nominees will receive a yard sign to display as a participant. Homeowners and business owners may nominate themselves. Once the nomination window has closed, the local beautification committee will conduct a district tour starting August 1 to select a winner and runner up. Sponsors include Alderman Westmoreland, Bunzel's Meat Market and Catering, and Sentry Foods at 9210 W. Lisbon Ave.

"Beautifully maintained properties can serve to enhance pride in a neighborhood, as well as boost the overall quality of life for the area. I believe that those who go above and beyond to maintain their property deserve special recognition, and that is what this new effort seeks to accomplish," said Alderman Westmoreland. "If you or someone you know lives in the 5th District and fits this description, I would encourage you to submit a nomination for this award."
