Humbled to be honored by the Milwaukee County Board of Supervisors during Women's History Month Program

**Statement of Alderwoman Milele A. Coggs
March 20, 2025**

Earlier this afternoon, I was recognized as one of the honorees during the Milwaukee County Board of Supervisors' 2025 Women's History Month Program. The moment inside the County Board Chamber was truly special and I feel blessed and humbled to have been selected as an honoree.

Milwaukee is blessed to have such a richly diverse group of influential women who have served as leaders across a wide array of sectors, and they are international leaders, entrepreneurs, philanthropists, civil rights icons, and more. I am honored to be able to effect change and to apply my abilities as a leader on key issues as an elected official within the City of Milwaukee, and to receive this honor in a place where I first served in government and in legislative affairs (County Board) was extra special for me.

I would like to extend my sincere thanks to the Milwaukee County Board of Supervisors for this wonderful honor, and I congratulate all of the other amazing honorees.
