Early Voting for Fall General Election Begins Tomorrow

Starting tomorrow, **Tuesday, October 20**, voters can participate in the early voting window at any of 11 locations across the City of Milwaukee for the 2026 Fall General Election on November 3. Early voting centers (in-person absentee voting) are available to all City of Milwaukee Residents, and voters can visit any location regardless of where they live in the city. Voters may also register to vote, view a sample ballot, and/or drop off their absentee ballot during scheduled hours. Absentee ballots may also be dropped off at any drop box throughout the city. A full list of drop box locations is available [here](#).

Alderman DiAndre Jackson wants to ensure residents have a plan to vote as the election approaches. “Early voting begins tomorrow and is one avenue that residents have to participate in the upcoming election. Voting early is quick and easy, and I strongly encourage voters to take advantage of this opportunity at one of our 11 early voting locations around the city,” said Alderman Jackson.

Hours vary by day at each early voting location, so please visit <https://city.milwaukee.gov/earlyvoting> for a full list of locations, hours, and additional information.

Note: Friday, October 30 is the last day to register to vote at an early voting site. After this date, you may register only at your polling place on Election Day, November 3.
