MEDIA ADVISORY

WEDNESDAY: Key road construction update news conference for near south side

Aldersperson **JoCasta Zamarripa** will hold a news conference at **2:15 p.m. TOMORROW** (Wednesday, June 10) in front of Vientiane Noodle Shop, **3422 W. National Ave.** to discuss updates on the ongoing road construction projects on Milwaukee's near south side. Aldersperson Zamarripa will be joined by Department of Public Works Commissioner **Jerrel Kruschke**, State Representative **Priscilla Prado**, County Supervisor **Juan Miguel Martinez**, VIA CDC Executive Director **JoAnna Bautch**, and **Kyle Wolf**, AAPI community leader.

Aldersperson Zamarripa said it is important for residents and commuters to keep "their eyes on the prize" as the improvements will benefit them once the dust settles and the barricades are removed. "In the long-term, the road work will provide improved access and more efficient travel to key shopping, entertainment, and work destinations," she said. "But also, before the work is finished it is vitally important for us to continue to patronize businesses that are located in the construction areas. Silver City is open for business!"

NOTE: In the event there is inclement weather, the news conference will be held indoors at the VIA CDC offices located at 3524 W. National Ave.
