## Golf Outing Next Week to Benefit Operation Impact

*Participants – Including Mayor, Police Chief, Fire Chief and District Attorney – to Take Part  
for Sake of Unique Public Safety Initiative*

The Western Lakes Golf Club will be well protected on Tuesday, September 30, 2008 as Milwaukee's top law enforcement and public safety leaders join **Ald. Bob Donovan** and others in the inaugural Operation Impact golf outing. The proceeds from the event will go directly to Operation Impact, a public-private partnership launched in May that so far has provided extra beat cops, new surveillance cameras, and other resources to address "quality of life" issues of crime and public safety in Milwaukee.

"I am not a golfer, but I thought this event would be a super way of getting people together to have fun and raise money for a great cause like Operation Impact," said Ald. Donovan, the author of Operation Impact.

Tuesday's event – which features an auction, raffles, awards, and dinner – is set to include **Mayor Tom Barrett, Common Council President Willie L. Hines, Jr., Milwaukee County Executive Scott Walker, Police Chief Edward Flynn, Fire Chief Doug Holton, Milwaukee County District Attorney John Chisholm,** and others.
