MEDIA ADVISORY

Witkowski To Host Fall Perennial Flower Exchange Event

Alderman Terry Witkowski, along with the new garden district committee, will host a public gathering **on Saturday** to bring gardeners from all over together to share and exchange flowers.

The event will be held **September 20, from 10:00 a.m. to noon** in the parking lot of **Custom Grown Greenhouse, located at 920 W. Armour Ave.**

The exchange allows for the sharing of flowers from overgrown areas. "This event is truly a great time to meet fellow gardeners and share a little piece of your garden with someone else," said Alderman Witkowski, who noted the committee is working to enhance the area as the city's garden district.

Attendees are asked to bring any plant that they wish to have growing and beautifying a new place outside of their garden. Flowers will be traded or given away, and no sales will be permitted. All leftover plants will be used in establishing a flower display at a school or other public area in the district. Custom Grown will be distributing discount coupons at the event.

WHAT: Garden District Perennial Flower Exchange
WHEN: Saturday, September 20, 2008, 10 a.m. to noon
WHERE: Custom Grown Greenhouse, 920 W. Armour Ave.
