In regard to the tragic homicide of Lodewikus “Vic” Milford on Saturday, my prayers and condolences go out to his family, friends and colleagues at Miller Brewing Company. This senseless loss of life is despicable and stains us all. We must work with God’s speed to capture and prosecute the criminals who are responsible. I believe Walker’s Point to be a safe neighborhood; I know that the businesses, residents and Alderman Jim Witkowiak, will not stand for this heinous act. This tragedy warrants swift police action, as well as a strong community response.
