

CALL FOR ACTION

GOVERNMENTAL INFORMATION DIRECTORY

2022

Dear Resident,

This directory is arranged alphabetically by specific topics and problems, and provides phone numbers and web addresses to help you reach the people who perform hundreds of services in city government.

The back pages also include county, state, and federal phone numbers, and additional numbers and web addresses of other frequently requested, non-government services and organizations.

The City of Milwaukee takes pride in its reputation of providing efficient, high quality, responsive, and cost-effective services to residents and businesses. The Call for Action booklet can quickly connect you to the services and information you need.

Call for Action is published by the Common Council. If you or someone you know would like copies, please call our office at (414) 286-2221.

Common Council

Important Information

Fifteen elected members comprise the Common Council in Milwaukee. Each Council member is elected to a 4-year term and represents a district of about 40,185 residents. A Council member serves both as legislator and district administrator. As legislator, the alderman or alderwoman helps to shape city policy. As administrator, he or she is responsible to citizens in the district for the services they receive. Together, the Council members control the finances of one of the largest corporations in the state. They determine the course of city services, statutes, development and thus, its future.

You can also sign up to receive Police Department notifications of crime activity in your neighborhood.

DID YOU KNOW?

The City of Milwaukee is divided into 15 aldermanic districts. The boundaries are determined by population, with each Council member representing approximately 40,185 constituents (U.S. Census bureau estimate, 2006). The district boundaries are usually redefined every 10 years to coincide with the U.S. Census.

Interesting Facts

In 2005, City Hall was designated a National Historic Landmark. Shortly thereafter, an extensive 3-year restoration of the exterior of the building began. External renovations included upgrading 1,900 windows, repairing sandstone, replacing hundreds of thousands of deteriorating bricks and replacing the copper roofing on the building's two spires. Also, near identical replications of terra cotta sculptures on the building were created to replace those that had deteriorated. All restorations were completed in December of 2008 and a Restoration Celebration showcased the historic building with a series of events open to the public.

City Hall—A Factual and Historical Glance

The Common Council decided to build a new city hall in 1889; before that, city government had been scattered around in rented rooms and some of the buildings had been destroyed by fire. Construction was authorized by a Common Council resolution in 1890 and on August 29, 1891, a resolution was passed calling for a City Hall design contest. The contest drew eleven applicants on a nation-wide basis with a wide variety of concepts and ideas. The plans of Henry C. Koch and Company were chosen. The building—which cost just over \$1 million to construct—was completed in 1895.

The Flemish Renaissance inspired building required eight million bricks, weighs approximately 41,000 tons, has more than 47,000 sq. feet of mosaic and marble flooring, and features approximately 107,000 sq. feet of office and meeting space. The building was one of the first to feature an extensive open atrium, of 20 by 70 feet, rising eight stories in the building's center. During the Great Depression, seven people jumped to their deaths. Afterwards, in 1935, protective wiring was placed around the center rails of the floors to prevent accidents and suicides and remained in place until Mayor John O. Norquist took office in 1988. The building measures 393 feet from the base of the bell tower to the top of the flagpole, making it Milwaukee's sixth largest. The flagpole measures 40 feet in length.

Bell Tower

The 22,500 pound bell—named “Solomon Juneau” after Milwaukee's first mayor—was fabricated from melted copper and tin from old church and firehouse bells around the city, and was hoisted to the tower in 1896, first chiming on New Year's Eve. City Hall's 18-foot clock was believed to be the world's third largest when it was fabricated.

What is the population of Milwaukee?

2000 Census	597,049
2006 Census Bureau Estimate.	602,782
2007 Census Bureau Estimate.	602,656
2008 Census Bureau Estimate.	604,179
2009 Census Bureau Estimate.	605,013
2010 Decennial Census Bureau Estimate	594,833

Does the City of Milwaukee have a sister city?

Yes, the City of Milwaukee has six sister cities:

- Galway, Ireland
- Bomet, Kenya
- Tarime, Tanzania
- Daegu, South Korea
- Zadar, Croatia
- Irpin, Ukraine

Milwaukee's Sister Cities websitemilwaukee.gov/sistercities

DID YOU KNOW? Milwaukee has a population of 594,833, and an area covering nearly 96 square miles. It’s the 28th largest city in the country. The four-county metropolitan area (Milwaukee, Ozaukee, Washington, and Waukesha counties) has a population of 1.6 million.

Major Attractions

The City of Milwaukee celebrated the 20th anniversary of the Milwaukee RiverWalk in 2009. The RiverWalk has helped spur economic development by bringing a renewed focus on the river as a destination for residents, employees, and visitors alike, and by linking many of the city's major entertainment and recreational sites, creative public art, retail stores and fine dining establishments.

Fiserv Forum 1111 Vel R. Phillips Ave. | (414) 227-0511

Transportation

The Intermodal Station (433 W. St. Paul Ave.) is the downtown train and bus station served by Amtrak and several intercity motorcoach operators, including Coach USA, Greyhound Lines, Jefferson Lines, Indian Trails, and Lamers. Megabus stops on 5th St. near the station. Milwaukee County Transit System (MCTS) bus route #57 serves the station directly and several other local bus routes operate on nearby streets. The city's other Amtrak station, Milwaukee Airport Railroad Station is near the western edge of Mitchell International Airport.

Milwaukee is conveniently located near the intersection of Interstates 94 and 43. The Milwaukee County Transit System provides courteous and prompt public transportation throughout the city. Milwaukee also has several taxi and limousine services available and is a regular stop for Amtrak and Greyhound.

Amtrak The Hiawatha service operates seven round trips daily between Chicago and Milwaukee. The Empire Builder travels daily between Chicago, Milwaukee and the Pacific Northwest along portions of the Lewis and Clark trail. amtrak.com

General Mitchell International Airport The airport offers roughly 500 daily departures and arrivals. Approximately 50 cities are served non-stop from Mitchell International, Wisconsin's largest airport. mitchellairport.com

Parking Information parkmilwaukee.com

Winter Tips

Winter Parking Regulations

The city's strictly enforced winter parking regulations are in effect from December 1 to March 1.

The most important thing motorists can do to avoid problems is to carefully read the parking signs on their block. It is the responsibility of anyone parking a vehicle to read and understand posted city parking regulations. If you need parking information, please call the city's parking enforcement desk at 286-8350, or go to milwaukee.gov/parkingregulations for details.

The single biggest problem during major snowstorms is parked and abandoned cars. The plows try to get as close to the curb as they can but those "snowbirds" get in the way and prevent them from completing the job. The city asks that you move your vehicles so plows can clear the streets curb to curb.

Sign Up for Snow Emergency Alerts

The City of Milwaukee offers a text message system to residents and businesses looking to be informed when the city declares a snow emergency or when the 4-inch rule is in effect. It's called the **Snow Mobile – Winter Text Alert**.

The message will state the date and time the emergency is in effect and also when it is lifted. The primary purpose of declaring a snow emergency is to make sure the streets are cleared to keep the city open for business.

Sign up for alerts on the city's website at city.milwaukee.gov and click on "Get Notices by Text Message" in the left hand column of the web page.

Shovel Your Sidewalk—It's The Law

Remember that residential and commercial property owners and occupants are required to clear sidewalks abutting their property of snow or ice within 24 hours after a storm. If violations are reported, a 24-hour notice is issued. If the sidewalks still are not cleared, a sanitation crew will clear a path and put the charge on the property tax bill. **Note: the City does not plow alleys.**

If you have older or disabled neighbors who need help with shoveling snow, please help them when you can.

Make our city safer by shoveling out the fire hydrants near your home. "Adopting" a fire hydrant will ensure maximum visibility for firefighters in the event of an emergency. To report an unshoveled sidewalk, please call 286-2489.

Call for Action Directory

Apartments	7	MAP	5,034
Omitted	8	OMT	4
Exempt	9	EX	7,035
Information provided by the Office of the Treasurer			Total 162,161

City parking structures: 5

- 5,525 spaces
- Generate annual revenues of more than \$6.7 million

Surface parking lots: 44

Bridges: 188 city owned and maintained

- Fixed: 135
- Over rivers: 99
- Over railroads/Bike Paths: 29
- Over streets: 7
- Viaduct: 12
- Pedestrian: 20
- Movable: 21 (bascule: 12, vertical lift: 9)

Signalized intersections: 779

- 779 intersections have been fully converted to energy saving LED lights

Total existing traffic signs (January 2010): 105,539

- 22,009 street name signs
- 18,057 stop and related signs

Miles of lighted streets: 1,300

- 68,666 streetlights
- 8,931 alley lights
- 569 specialty lights

Miles of underground conduit: 610

- 7,626 manholes

City sewers

- Concrete: 1,592 miles
- Brick: 63 miles
- Clay: 287 miles
- Cured-in place lined pipes: 288 miles
- PVC: 237 miles
- Total number of sewer miles: 2,467
- Miles of city sewers over 90 years old: 325 miles

Water works infrastructure*

- 2,000 miles of water main
- 20,000 hydrants
- 50,000 valves
- 162,000 water meters
- 2 water treatment plants
- 11 pumping stations
- 6 storage tanks
- Population served: 864,144

*Communities where MWW owns the infrastructure: Milwaukee, Greenfield, Hales Corners, St. Francis, portion of Franklin

Total number of city buildings/facilities: 220*

- Average age: 56 years
- Current replacement value: \$1.08 billion

*Public Works, Water Works, Parking, Fire, Police, Health, Library, and Port of Milwaukee. Based on 2017 insurance information.

Miles of city owned/maintained fiber optic cable: 250

- Miles of copper cable: 650

MKE Parks (Data from the Dept. of Public Works)

- 52 parks with play amenities
- 11 green spaces
