A license is required of persons who sell food in the City of Milwaukee from a pushed, pedaled, pulled or motorized vehicle or from a carried container that does not hold a State of Wisconsin Mobile Food License.

Licenses expire 1 year from date of issuance.

EXEMPTIONS (LICENSE NOT NEEDED)

- A peddler licensed by a different municipality is exempted from this license; however, a Mobile Seller's license is required.
- A person/business selling only:
 - Canned or bottled non-alcohol drinks that do not need refrigeration.
 - Raw agriculture (includes fresh uncut produce, cottage food products, honey, cider, sorghum, maple syrup).
 - Pickle Bill items (pickles or other processed vegetables or fruits with an equilibrium pH value of 4.6 or lower).
 - Prepackaged Food that does not require temperature control (includes chips, candy, nuts, cookies).

SERVICE BASE REQUIRED

Food peddlers must have a service base for cleaning the mobile unit, food storage, dishwashing, and food preparation not done on the mobile unit. A separate Food Dealer License is required for each food peddler at the service base, and is obtained from the municipality where it is located. The base must be a commercial kitchen. The base license must be issued before the peddler license.

Variance

Certain peddler units may be eligible for a variance to operate without a service base. Variances are obtained from the Health Department. For additional information, go to:

<http://city.milwaukee.gov/health/mobilefood>.

Please note it may 30 days or more to obtain a variance. The variance must be issued before the peddler license.
