

Frequently Asked Questions (for RFP released 7/25/22)

Community Development Grants Administration

Housing Trust Fund

Request for Proposal

All questions submitted to the CDGA office, in writing, will be posted and answered here

1. When are the applications due? Can I get an extension because I was stuck in traffic?

Applications are due on Friday, August 12th by 2:00 pm. Applications must be time stamped/emailed on or before 2:00 pm. Every effort should be made to submit the application earlier. No extensions will be granted. Be prepared for traffic, parking issues, long lines at retail printing and copying companies, and network/internet issues if submitting electronically.

2. I didn't have time to stop and get 6 copies of my application; can I get copies made by the City if I pay for them?

No, it is the responsibility of each applicant to make copies prior to the submission deadline. To ensure a fair process and eliminate any burden on City staff, CDGA will **not** make copies.
