

**Notice of Intent to Request Release of Funds for 2502 W. Tamarack Street Project
Milwaukee, Wisconsin**

These Notices shall satisfy two separate but related procedural requirements for activities to be undertaken by the City of Milwaukee.

Request for Release of Funds (RROF): On or about July 22, 2026, the City of Milwaukee will submit a request to the U.S. Department of Housing and Urban Development (HUD) to release HOME - ARP funding (M-21-MP-55-0204) - \$350,000 awarded to the City of Milwaukee.

Purpose: The subject property is located at 2502 W. Tamarack Street, Milwaukee, WI. The Tamarack (Fond du Lac Avenue) project includes rehabilitation of an existing residential structure to support HOME-ARP Non-Congregate Shelter (NCS) operations. Rehabilitation will address building systems, life-safety upgrades, accessibility, security improvements, and unit interiors to ensure long-term use. Improvements include HVAC, electrical, plumbing, fire protection, controlled access, and durable finishes appropriate for high-use shelter housing. The project will deliver eight (8) private, non-congregate units that provide dignity and stability and can transition to long-term residential use.

Determination: It has been determined that such request for release of funds for this project will not constitute actions significantly affecting the quality of the natural or human environment. This project is Categorically Excluded Subject to Section 58.5 (CEST). An Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record.

Environmental Review Record: An environmental review has been made by the City of Milwaukee. The Environmental Review Record (ERR) is on file at the address listed below and is available for public examination and copying upon request, between the hours of 8:00am and 4:45pm. All interested agencies, groups, and persons disagreeing with this decision are invited to submit written comments for consideration by the City to:

Provide a 72 hour advance notice to ensure accommodation of request.

Such written comments should be received at the above address on or before July 21, 2026. All such comments so received will be considered, and the City of Milwaukee will not request the release of Federal funds or take any administrative action on these projects prior to the date specified in the preceding sentence.

Public Comment: Any individual, group, or agency disagreeing with this determination or wishing to comment on the project may submit written comments to the City of Milwaukee Department of City Development (see above for contact information). All comments received by July 21, 2026 will be considered by the City of Milwaukee prior to submission of a request for release of funds. Comments should specify which Notice they are addressing. Following the RROF, HUD will be accepting comments for 15 days following receipt of the RROF.

Release of Funds: The City of Milwaukee certifies to HUD that Mario Higgins in his capacity as Director, CDGA, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's acceptance of the certification satisfies its responsibility under NEPA and allows City of Milwaukee to use Program funds.

Objections to Release of Funds: HUD will accept objections to its release of funds and the City of Milwaukee certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if it is on one of the following bases: (a) the certification was not executed by the Certifying Officer of the City of Milwaukee; (b) the City of Milwaukee has omitted a step or failed to make a decision for finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient has incurred costs not authorized by 24 CFR Part 58 before approval of release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted via email in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to the HUD Milwaukee Field Office at MKE-ENV@hud.gov. Potential objectors should contact the HUD Milwaukee Field Office via email to verify the actual last day of the objection period.

Mario Higgins, Director, CDGA
