Public Meeting & Open House

Share your ideas about what you would like to see along the proposed future King Drive extension of the Milwaukee Streetcar. This open house will kick off a discussion of how the Streetcar can generate new housing options, improve public open spaces, connect to jobs, and attract new businesses.

This will be an open house format hosted by the City of Milwaukee and the Historic King Drive Business Improvement District with informational presentations provided throughout the evening and an opportunity for you to plug into discussions that are important to you.

Give feedback. Ask questions. Participate!
