TID 67, Amendment No. 2 | Pabst Brewery/The Brewery Project

TID 67 was created in 2006 to encourage redevelopment of the former Pabst Brewery complex, a 21-acre site. Funds from the TID were used for public infrastructure and for building demolition, abatement, and preservation. In 2024, Amendment No. 1 was approved, which provided up to \$4.9 million for public infrastructure. TID Amendment No. 2 proposes a total of \$22,450,000 in funding to support housing programs, property acquisition, commercial corridor programs, and public infrastructure improvements. The Redevelopment Authority of the City of Milwaukee (RACM) will review TID 67 Amendment No. 2 on May 21, 2026. Project plans will be made available [online](#) prior to the meeting.
