

Targeted Investment Neighborhood Program

The Targeted Investment Neighborhood (TIN) initiative is designed to sustain and increase owner-occupancy, provide high quality affordable rental housing, strengthen property values, and improve the physical appearance and quality of life of neighborhoods.

Through the TIN program, the City of Milwaukee focuses funds and resources in a small area (6-12 blocks) for approximately three years. Homeowners and landlords who use the program can make common household repairs and updates.

Basic Qualifications *(additional qualifications may apply)*

- You must own a property located within TIN boundaries.
- Mortgage payments and property taxes must be current. If you are on the installment plan, you cannot be delinquent.
- You must maintain property insurance for the length of the loan term.
- The property's debt compared to its value and its cash flow will be considered as part of our loan underwriting.
- The property must be brought up to code and maintained at that level over a five year period.
- A mortgage lien is placed on the house as security for the loan.
- If you have declared bankruptcy, your bankruptcy must be discharged at least 12 months prior to your application. You should have satisfactory credit history since the discharge.
- If you have received previous loans from NIDC or the City of Milwaukee, your application will be reviewed on a case by case basis.
- After you apply for a TIN loan, NIDC staff will review your credit and current debt to determine eligibility.

Technical Assistance

Experienced rehabilitation specialists perform a thorough inspection of the property, identifying problem areas.

The rehab specialists works with the homeowners to write the scope of work (a list of items that needs to be done) and then helps owners get bids from contractors. Once the work starts, the rehab specialist makes periodic inspections to make sure the work continues to meet program requirements.

Important owner Information:

(Home Rehab and Rental Rehab programs)

- Must provide annual re-certification of tenants' income
- Monthly rents are capped for five year term
- Copy of lease is required

Homeowner Opportunities

The **Home Rehabilitation Program** offers owner-occupants of 1 to 4 unit residential properties a combination of no interest and partially forgivable loans for home improvements. Deferred Payment Loans (DPL) may be available to homeowners who are low-income and elderly or disabled. DPL repayments are made when the property is sold, refinanced or no longer serves as a primary residence.

Terms & Conditions:

- Project Maximum: \$40,000 per property
- 0% interest
- Up to 15 year maximum to pay loan back
- Own & occupy home as primary residence

Landlord Opportunities

The **Rental Rehabilitation Program** offers responsible landlords of 1-4 unit residential properties, who currently live in the TIN neighborhood, forgivable loans to improve rental properties in TIN neighborhoods. Investor-owners must provide at least 50% of the cost of the rehabilitation.

Terms & Conditions:

- Up to \$14,999 per unit (forgivable)
- Generally units must have at least two bedrooms to qualify
- Landlords are required to attend Landlord Training Program operated by City of Milwaukee Department of Neighborhood Services www.milwaukee.gov/LandlordTraining
