GENERAL BID CONDITIONS AND INSTRUCTIONS

LOAN PROGRAM

Financing for work under this contract is provided through the City of Milwaukee, Neighborhood Improvement Development Corporation (NIDC) who, through its loan agreement with the Owner, reserves certain rights and privileges as Lender, which include but are not limited to: development of the scope of work, assistance with the bid process, preparation of the Contract, approval of change orders and payments, and other aspects associated with contract execution and implementation.

SITE INSPECTION

The Contractor must meet with the Owner at the property to inspect and review conditions prior to submission of a bid.

ADDENDA

If NIDC or the Owner determines the necessity for additional information and/or clarification(s), an Addendum will be posted on the internet at

<http://city.milwaukee.gov/NeighborhoodImprovement/NIDCBIDPackages.htm>

Any addendum will be posted at least one week before bids are due.

To be eligible, all bidders must acknowledge receipt of the Addendum/Addenda, if issued.

BIDDER ELIGIBILITY

1. Contractor must have experience with similar projects and hold a current City of Milwaukee Home Improvement contractor's license, or hold other licensing as required.
2. Contractor certifies that neither he/she nor any of his/her subcontractors is ineligible to be awarded a federally funded contract. Prior to executing a contract for this work, the winning bidder must sign and submit the attached Certification of Debarment.
3. Contractor may not be debarred by NIDC. A copy of the NIDC debarment policy is available on request. Generally, NIDC considers debarment if a contractor does not perform satisfactory work, fails to pay sub-contractors or material suppliers, fails to complete jobs on time, or in other respects does not meet reasonable standards of performance.
4. Contractors are hereby notified that NIDC will check public records to verify that it, and entities controlled in whole or in part by it and its principal owners is not delinquent with property tax payments due the City of Milwaukee, does not have outstanding code orders for properties located in the City of Milwaukee, does not have a record of fines for unabated City of Milwaukee building code violations, and does not have felony convictions related to neighborhood safety and stability.
5. Contractor shall, as part of her/his bid, submit:
 - a) A list of the principal owners of the firm submitting the bid,
 - b) A list of all property located in the City of Milwaukee owned by Contractor and its principal owners.
 - c) Birth date and other information as requested by NIDC to verify court and other records.
 - d) Failure to provide this information will result in delays and may be cause for rejection of your bid.

BID REJECTION/ACCEPTANCE

1. The Owner reserves the right to reject any and all bids and to waive informalities. It is NIDC policy that, if: (a) the Contractor's proposal/bid complies with the specifications and other requirements, and (b) the Contractor meets NIDC's minimum requirements as outlined herein, and (c) the selected bid is reasonably within range of the market price for the work, then Owner may select any Contractor who, in Owner's opinion, is the most responsible and responsive bidder.
2. When a contractor's bid is accepted, he/she shall receive the following documents for execution.
 - A. Contract to Perform Rehabilitation Work
 - B. Subcontractor Schedule
 - C. Standard Contractor Invoice Documents

CONTRACT CONDITIONS

On written request, NIDC will provide contractors a blank template of the Contract language, which includes provisions for liquidated damages, contract cancellation, and other terms and conditions.

PERMITS

The contractor shall obtain and pay for all permits required to complete the contract. No work shall commence until permits have been obtained. These permits and licenses must be kept current and in force during the term of the contract and warranty period. A lead abatement permit must be obtained from the Milwaukee Health Department, and MHD will monitor the work. Contractors and employees must be eligible to obtain lead abatement permits and perform lead abatement work.

PAYMENT SCHEDULE

The selected contractor shall submit a requested schedule of payments and schedule of values that will apply to work completed for this project. Generally payments are made available in amounts no less than \$5,000.

RETAINAGE: At Owner's and/or NIDC's discretion, 10% of the requested amount may be withheld pending punch list work including lead clearance from the Milwaukee Health Department. Contractors are also placed on notice that, for Rental Rehabilitation projects, the last \$1,000 of NIDC loan dollars are held pending the property owner's submission to NIDC of acceptable tenant certifications.

SPECIFICATIONS

The City of Milwaukee "Rehabilitation Technical Specifications and Performance Standard" are incorporated herein by reference. Copies of this document are available at: <https://city.milwaukee.gov/ImageLibrary/Groups/cityDCD/RFP/HIPTECHNICALSPECS.pdf>. If there is a conflict between the Specifications and the Scope of Work, the Scope of Work shall take precedence.

WITHDRAWAL OF BIDS

Bids may be withdrawn only in total, and only by a written request prior to the award of the contract. Owner has sole discretion to grant a request for a bid withdrawal, and only in the case of an error that will result in a significant financial hardship.

NONDISCRIMINATION

The successful bidder will not discriminate against any qualified employee or qualified applicant for employment because of sex, race, religion, color, national origin or ancestry, age, disability, lawful source of income, marital status, sexual orientation, gender identity or expression, past or present membership in the military service, familial status, or based upon affiliation with, or perceived affiliation with any of these categories as provided by Section 109-1 (3) of the Milwaukee Code of Ordinances. This provision must be included in all subcontracts. Contractor agrees that they will comply with all applicable requirements of the Americans with Disabilities Act of 1990, 42 U.S.C. 12101, et seq

INTEREST IN CONTRACT

No public official, employee, board member, or commission member of the City of Milwaukee shall have any interest, direct or indirect, in this contract or receive any premium, commission, fee, or other thing of value, in connection with this contract.

SMALL BUSINESS ENTERPRISES (SBE) AND SECTION 3 WORK FORCE PARTICIPATION

Contractors are notified that it is NIDC policy to strongly encourage SBE and Section 3 participation on all NIDC-sponsored contracts. Information about the City of Milwaukee's SBE programs is available at <https://city.milwaukee.gov/Equity-and-Inclusion/Business>.

Bid Submission Form

This bid document consists of at least three pages; the Bid Submission Form, the Contractor's References, and the Scope of Work.. All pages must be completed and submitted as your bid. Bid forms must be received no later than 7/15/2026. CONTRACTOR agrees this bid shall remain in effect for a period of sixty (60) days. If the OWNER takes no action during the 60 days, the bid shall become void without recourse by either party.

START AND COMPLETION OF WORK

The work presented in this project is to be started within 10 days after Contractor's receipt of a Notice to Proceed and is to be satisfactorily completed within 30 days thereafter. ~~Interior/Exterior Completion and/or Weather Affected repairs, if any, must be completed as further outlined and incorporated in Bid Attachments A and/or B respectively.~~ (Strike if not applicable.)

BIDDING

Contractors should submit bids to do EXACTLY the work AS DESCRIBED. Any desired changes must be proposed on a separate, "Alternate Bid" page. Any proposed changes are subject to the owner's approval, after consultation with the lender.

SCOPE OF WORK		Scope Date:	
Dennis Wolfgang - 2442 W Wells St		Tel: (414) 531-5442	
Rehab Specialist: John Burke		Feb. 11th, 2026	
Loan Officer: Judy Carson		Program:	
First inspection date: 4/30/2025 Prior versions: 5/1/25, 5/15/25, 5/21/25, 6/2/2025		STRONG Homes	
Both the "Rehabilitation and Technical Specifications and Performance Standard for the City of Milwaukee - February, 2006" and the "NIDC Addendum to Specifications," dated 8/23/07 & 5/13/08, are incorporated into this scope by reference. These items provide an outline of materials requirements & performance expectations. Updated copies can be obtained from NIDC @ 809 N Broadway-3rd Flr.			
Lead Related Work: Any task that disturbs previously painted surface shall be performed by properly certified personnel and follow the State of Wisconsin Department of Health Services Administrative Code Chapter DHS 163 regarding the certification for the identification, removal and reduction of lead-based paint hazards (Pb).			
And, if applicable: ☐ YES ☒ NO			
Any task that disturbs a previously painted surface requires Milwaukee Health Department notification (Pb-N). Window replacement shall be performed by properly certified personnel and requires a Milwaukee Health Department Permit (Pb-A).			
Miscellaneous: The contractor is responsible to field verify all measurements, the amount of materials needed, and the number of windows in the building. If any item in this scope calls for a certain manufacturer, model number, or approved equivalent of a particular item, and that item is to be substituted, both NIDC and the owner must approve the substitution in writing as a part of the contract.			
Line #	Scope of Work Item	Code	Estimate
	EXTERIOR		
	HOUSE		
HPN	Historic Preservation Note: This house is recognized as historic by the Milwaukee Historic Preservation Commission (HPC). All repairs to exterior trim and siding are to match the original appearance, and material. Do not remove any decorative trim or siding, unless it is being replaced with an exact matching profile. For some replacement activities, the design of the repair may need pre-approval from the HPC.	NOTE	Note
1	Soffit, Gable and Fascia Repairs: For all gables, soffits, and roof edge fascia including the front porch gable. Remove all loose paint. Repair or replace all damaged fascia and soffit boards and trim (see note HPN). Install OWNER SUPPLIED replacement "Plinth Blocks" where missing, on gables. Apply paintable caulking at all gaps and cracks. Apply <u>owner-supplied</u> primer paint, and then <u>owner-supplied</u> finish paint all surfaces. Colors per owner; assume a three color scheme.	CV, Pb	
2	Cedar Shake Siding Staining: Prep and stain the cedar siding at all areas which have not been recently refinished. Use <u>owner-supplied</u> oil based finish stain - two coats minimum. Apply additional coats if necessary to achieve a uniform finish.	CV, Pb	
3	Electrical Outlets: Remove the existing NM wiring and electrical outlet, and properly terminate wiring/conduit. (NOTE: One of the existing boxes/wiring is low voltage exterior lighting wiring - verify with owner.) Install new exterior boxes, with two GFCI protected outlets located per owner, weatherproof covers, and use protected wiring (conduit, etc.). These outlets shall be controlled by a new switch, located in the interior stairway/basement area.	CV, Pb	
4	Electrical Conduit: The existing conduit which feeds the Northeast exterior light fixture should be removed and properly terminated.	PERMIT, CV, Pb	

INTERIOR		
GENERAL		
5	Alarms: Install a combination smoke/CO alarm in the basement, and a carbon monoxide alarm in the first and second floors. All smoke alarms shall be sealed battery, 10 year lithium ion units. Replace any existing smoke alarms which have removable batteries with 10-year sealed battery units (or combination units).	CV SELF-HELP
6	Electrical Panel: Replace the existing panel with a new 100 amp electrical panel, with additional spaces for future use. All work shall be code compliant. (Note the existing service is 100 amp - FIELD VERIFY.)	PERMIT, CV
BASEMENT		
FIRST FLOOR		
7	Living Room Light Fixture: The owner indicates there is existing wiring to the ceiling fixture, but no switch. The switch wiring <i>may</i> be associated with the 3 gang switch in the adjacent room, or concealed in the wall at an apparent former box. Install a switch to make this fixture operational, and make all connections necessary for the existing light fixture. Correct all wiring to code. If the wall is disturbed as a part of this work, then patch to match existing.	PR, PERMIT
8	Dishwasher Outlet: Install a dedicated circuit and GFCI protected receptacle for the dishwasher. Remove the existing abandoned box/wiring.	PR, PERMIT
9	Kitchen Light and Switch: Remove or correct any non-code compliant wiring/boxes. Correct the switch and fixture box wiring and install a new ceiling light fixture. Restore functionality of the light.	PR, PERMIT
10	Breakfast Room Light and Receptacles: A.) Install a new box, ceiling light fixture, and one way switch. The fixture shall be located further to the North. B.) Install 3 new receptacles minimum in this area. C.) Remove or correct any non-code compliant wiring/boxes.	PR, PERMIT
ATTIC		
11	Attic Electrical: A.) Replace the 3-way light switches that operate the attic light. They are located at the bottom of the attic stairs, and in the attic's Southern finished room. Correct any wiring issues uncovered while performing this work. B.) Southern Finished Room; Install a new dedicated circuit for this room, a ceiling light fixture and switch, and new receptacles located per code (3 minimum). Notes: 1.) Use existing wiring where acceptable, or install new as required. 2.) All non-code compliant wiring in the attic shall be removed, replaced, or corrected as necessary. 3.) It is <i>preferred</i> to run the new feed wire from the basement electrical panel through the interior, concealed within walls. However, if not possible, exterior conduit may be allowed. (Verify with owner.)	CV, PERMIT
