CITY OF MILWAUKEE – NEIGHBORHOOD IMPROVEMENT DEVELOPMENT CORPORATION (NIDC)

CONTRACTOR RESPONSIBILITIES UNDER SECTION 3

What is Section 3?

Section 3 is enforced by the U.S. Department of Housing and Urban Development (HUD.) Section 3 seeks to ensure that low income residents of the local community have access to the employment and contracting opportunities created by HUD funded programs. NIDC supports and encourages HUD's Section 3 goals.

What projects are subject to Section 3?

If you are a contractor who receives an NIDC contract for more than \$100,000, your project is subject to Section 3 requirements and you have certain responsibilities to comply with Section 3. Whether or not your bid on this project is over \$100,000, NIDC requests that you and your subcontractors fill out a "Section 3 Business Certification Form."

What are Contractors' responsibilities under Section 3?

If you are a contractor who, in a single contract, receives more than \$100,000 of Federal funding through NIDC, the following requirements apply to your project and will be included in the contract (See attached "Section 3 Clause" for language which will be included in contracts):

- Include the "Section 3 Clause" (see attached) in all contracts with your subcontractors on this project.
- Submit a "Section 3 Business Certification Form" and require all subcontractors working on a NIDC funded project to submit a "Section 3 Business Certification Form."
- Strive to meet the Section 3 Business participation goal of at least 10% of the total dollar amounts of construction contracts or subcontracts associated with this contract are awarded to Section 3 Businesses (the definition of a Section 3 Business is below).
- If this contract results in you or your contractors/subcontractors hiring **new employees**, you and your contractors/ subcontractors must attempt to identify and hire qualified Section 3 residents (the definition of a Section 3 resident is below) to fill these positions. "Attempt" means efforts such as recruiting low-income residents through local advertising media, displaying signs at the project site, contacting area community and workforce development organizations, or similar methods. If new employment opportunities are created as a result of this project, NIDC will require documentation of the steps you and your contractors/subcontractors took to identify and hire qualified Section 3 residents.
- Submit a Section 3 Participation Report at the conclusion of each project.

What is a Section 3 Business?

Section 3 Businesses are one of the following:

1. Businesses that are 51% or more owned by Section 3 Residents.
2. Businesses where at least 30% of employees are currently Section 3 Residents, or were within three years of the date of hire.
3. Businesses that commit to and document that at least 25% of the dollar amount of all subcontracts associated with its work on a project will be carried out by businesses which meet one of the two above criteria.

Is there a current list of Section 3 Businesses?

There is no current list of Section 3 Businesses in the Milwaukee Area. Currently, NIDC relies on businesses self-certification to determine whether or not a business is a Section 3 Business. While the criteria are not identical, many City of Milwaukee certified Small Businesses Enterprises (SBEs) may also qualify as Section 3 Businesses. A list of SBEs is available at: <http://www.city.milwaukee.gov/osbd>
