

ARP Survey

The City of Milwaukee will receive \$394 million from the federal government to help our community recover from COVID-19. The plan is called the American Rescue Plan (ARP), and includes money for unemployment assistance, schools, childcare help, and health care. Please share your feedback on how the City should spend the \$394 million.

The ARP Act and other expected COVID-19 recovery bills will likely provide a chance for the City to invest in large infrastructure and transportation projects.

1. Please select the top three priority areas that are most important to you.*

(You will have a chance to provide more input below)

- Housing Access
- Eviction Prevention
- Internet Access
