2017 Prevailing Wage Repeal:

Contractors working on local governmental unit projects with prevailing wage rate determinations, with RFPs or contracts executed prior to January 1, 2017, must continue to pay employees the appropriate prevailing wage and maintain required prevailing wage payroll records.

For example, If a contractor is working in 2018 on a public works project with a project determination issued prior to 2017, then the contractor is required to comply with the "old" prevailing wage rate law (§66.0903, Wis. Stats.). After January 1, 2017, the City of Milwaukee/DWD will continue to enforce prevailing wage requirements for projects with

DWD prevailing wage determinations issued under the "old" prevailing wage laws for contracts executed prior to January 1, 2017 (§§ 66.0903 & 103.49, Wis. Stats.).

Projects with Federal Davis-Bacon wage rate determinations must remain in compliance with these wage rates regardless of the date of execution.

Copies of the actual work classifications and wage and fringe benefit rates enforced on this project are available in Room 506 of the Municipal Building.

Tie bids, when the lowest ones, will be decided by the Commissioner of Public Works. The Commissioner of Public Works reserves the right to reject any or all bids.
