

NEW 2014 VIRTUAL PERMIT SYSTEM

For the convenience of our night parking permit customers, there will be no requirement to display a physical permit for 2014. When you buy your permit after December 20th, you will complete the same application accurately listing your license plate number. You will receive a confirmation number to prove you bought the permit, but will not receive a physical permit to place on your window.

Your license plate number will be used by parking enforcement to determine whether you purchased a valid permit. All customer service problems arising from misplaced or stolen permits will be eliminated. Failure to purchase a permit will still be subject to a \$20 citation.

If you purchase your permit on-line, the cost savings of no permit production, handling, and mailing will be passed on to you. The convenience fee will be reduced from the current \$2.25 to \$1.00.

Visit www.milwaukee.gov/parking to purchase your night permit on-line and avoid the hassle of standing in line to pay in-person. Please call 286-CITY (2489) with any questions.
