

# City of Milwaukee Department of Public Works Application for Street Lighting Pole Display Permit

## Street Lighting Pole Display Requirements

All decorations and their placement are subject to approval of the Commissioner of Public Works. The City reserves the right to order immediate removal of any object in a state of disrepair.

Decorations may not be displayed on aluminum poles, harp lights or poles holding traffic signals or overheated electrical utility lines. The bottom of the decoration must hang at least 18 feet above a public street and at least 10 feet above a public walkway. Decorations may not disrupt or block light distribution from street lights, nor hamper their maintenance.

Decorations may not advertise or promote commercial products or services, gambling, individuals, religious, political or social viewpoints.

Decorations must be installed and maintained by qualified trades personnel and are the responsibility of the permittee. The City shall not be held liable for any personal injury, damage or cost in connection with installation or display of the decorations and hardware. Permittee must remove hardware on expiration of approved display period.

The fee is \$20.00 per pole. Fees must be received by the Department's Special Events Permit Office before installation of decorations.

### The application must include a scale drawing or photo and the dimensions of the decoration/s.
