

PROJECT UPDATE

WIS 32 (North Lake Drive) Reconstruction Project

The Wisconsin Department of Transportation (WisDOT), in partnership with the City of Milwaukee, is reconstructing WIS 32 (North Lake Drive) between East Newberry Boulevard and East Edgewood Avenue.

NORTH LAKE DRIVE TO REOPEN TO TRAFFIC

Beginning Saturday, December 14, 2024:

- N. Lake Drive between E. Kenwood Boulevard and E. Edgewood Avenue is scheduled to reopen to traffic.
- N. Shepard, N. Summit and N. Hackett streets between E. Kenwood Boulevard and E. Edgewood Avenue are open to traffic.
- Restrictions on daytime parking on N. Lake Drive will be lifted unless otherwise posted.
Note: Parking will only be allowed as posted on the east side of N. Lake Drive.

Project work on N. Lake Drive is scheduled to pause for winter. Crews will return in early spring 2025 to complete landscape restoration, street lighting and permanent pavement markings between E. Kenwood Boulevard and E. Edgewood Avenue.

In 2025, crews will reconstruct N. Lake Drive between E. Newberry and E. Kenwood boulevards, including the intersections at both E. Kenwood and E. Newberry boulevards.

All work is weather dependent and subject to change.

During the 2024 construction season, crews completed the following work on N. Lake Drive between E. Kenwood Boulevard and E. Edgewood Avenue:

- Removed the roadway pavement, driveway aprons and curbs.
- Replaced the storm sewers under the roadway.
- Replaced electrical utilities for street lighting.
- Installed new concrete roadway, curbs, and driveway aprons.

Thank you to residents for their role in making the 2024 construction season a success!
