

September 18, 2014

A Special Town Hall Meeting of the Board of Fire and Police Commissioners was held on the above date, commencing at 6:30 p.m.

PRESENT: Commissioners: Sarah W. Morgan
Kathryn A. Hein
Michael M. O'Hear
Ann Wilson
Marisabel Cabrera
Steven M. DeVougas

ALSO PRESENT: Edward Flynn, Chief, Milwaukee Police Department

The Chair reconvened the Board for the Special Town Hall Meeting and explained to the public present if they want to speak at the meeting, they need to fill out a form. When their name is called, they should step up to the podium and will have two minutes to speak. Since this is a listening session, no one from the Fire and Police Commission or the Milwaukee Police Department will be responding to any of the comments. The meeting is being recorded, notes are being taken and the Board will take the comments into consideration.

1. PUBLIC FORUM:

The following persons spoke regarding the topics of the Special Town Hall Meeting--Red Arrow Critical Incident and/or the Implementation of Body Cameras:

Tracey Dent, Mary Watkins, James Hall, Van Mayes, Peter Adamczak, Debra Jenkins, Babette Grunow, Jeanette Arellano, Russell Stamper, Sr., Jesse Franklin, Jacob Gatlin, Cindy Greenwood, Alex Flynn, Pat Gowens, Curtis Sails, III, Nathaniel Hamilton, Jr., Shawn Moore, Khalil Coleman, Caleb Andersen, Jenna Knapp, Rejina Harmon, Maria Hamilton.

The Coalition for Justice asked if they could meet with the Fire and Police Commission outside the presence of the Milwaukee Police Department (MPD). The Chair stated the Board will discuss that. Commissioner Cabrera stated she would move to meet with the family outside the MPD's presence, seconded by Commissioner Wilson. The Director informed everyone that the only thing noticed is the listening session. We have not noticed the rest of the public that the Board is going to take a vote on whether you will have an additional meeting on an additional subject with different people. You cannot take a vote on an item that is not on the agenda tonight. Commissioner Wilson asked if it can be noticed. The Director stated it can be noticed for a future date, and is something that should be considered.

2. ADJOURNMENT:

Commissioner O'Hear moved to adjourn the meeting, seconded by Commissioner DeVougas. The motion carried unanimously.

The meeting concluded at 7:39 p.m.

Respectfully submitted,

Michael G. Tobin
Executive Director
