RE: Update on FPC Staffing and Operations

The following report is an update on Fire and Police Commission (FPC) staffing and operations. The FPC Executive Director will present this report at the next regular board meeting on April 16, 2026.

FPC Staffing

Twenty-eight full-time staff positions are assigned to the FPC. There are currently four existing/anticipated vacancies:

1. *Program Assistant I.* We recently receive the eligible list for this position and will be setting up interviews in the near future.
2. *HRIS Auditor.* We have completed the initial round of interviews for this position. We plan to make an offer following second interviews with the top candidates.
3. *Investigator (Bilingual).* The job posting for this position has closed, and the Department of Employee Relations (DER) is in the process of conducting a bilingual proficiency assessment. Thereafter, we will schedule interviews with the candidates that meet the minimum qualifications.
4. *Research and Policy Analyst.* This is a new anticipated vacancy. The current incumbent plans to retire, effective April 23, 2026. We have requested that DER conduct a new recruitment to fill this vacancy.

FPC Operations

1. Audit & Compliance

In addition to the audits required by the *Collins* Settlement Agreement, the FPC's Audit Unit is currently working on the following two non-*Collins* audits:

- MPD Animals Policy (SOP 060)
- MPD Airborne Assessment Team (Drones)

After these audits, the Audit Unit will conduct the following three audits/reviews as part of its 2026 Audit Plan:

- MPD Automated License Plate Readers (ALPR) (SOP 735)
- MPD Resources/Dispatch Responses
- MFD Resources/Dispatch Responses

2. Community Engagement

FPC Community Outreach Coordinator Carlos Martinez-Rivera continues to advance the FPC's community engagement and transparency efforts through various initiatives and events. Some of his recent efforts include:

- **Community Meetings on Chief Lipski's Reappointment.** Mr. Martinez-Rivera coordinated and organized two separate meetings in preparation for the Board's consideration of Chief Lipski's reappointment. He also recruited and coordinated with the moderators, providing guidance to ensure they were well-prepared to facilitate respectful and meaningful dialogue. On the day of the sessions, Mr. Martinez-Rivera oversaw event setup, ensuring that all materials, seating arrangements, and technical needs were properly in place.
- **MPD Easter Egg Hunt.** Mr. Martinez Rivera attended the Milwaukee Police Department (MPD) Easter Egg Hunts, where he played an active role in supporting the event's success through both logistical and community engagement efforts. He assisted with event setup and coordinated the sign-in process, helping ensure a smooth and welcoming experience for approximately 400 attendees. In addition to these responsibilities, he distributed information about the FPC, including its initiatives and upcoming events, increasing community awareness and visibility. Throughout the event, he engaged directly with residents, answering questions and providing information about the FPC's role and responsibilities

- **Crime and Safety Meetings.** Mr. Martinez-Rivera regularly attends MPD's Crime and Safety meetings to stay informed about ongoing issues, emerging concerns, and key developments within the community. During these meetings, he takes the opportunity to connect directly with residents, building relationships and fostering trust through open and approachable communication. When appropriate, he introduces and explains the role of the FPC to individuals who may not yet be familiar with its purpose or services. In addition, Mr. Martinez-Rivera has proactively prepared a presentation about the FPC, which he plans to deliver at future Crime and Safety meetings to further enhance community awareness.
