**NEIGHBORHOOD
 INVESTMENT
 BEAUTIFICATION (NIB)
 APPLICATION**

The citywide NIB program has limited funding available for business improvement districts and neighborhood organizations to create more attractive neighborhoods. Intended uses include: neighborhood branding, trash cans, recycling, greening vacant lots, neighborhood branding, among others. The awarding of funding is contingent on neighborhood need, equitable funds allocation across aldermanic districts in need, the project matching city NIB goals and organization's ability to contribute leveraging funds and/or materials. Funds are available in 2018 and 2019 only.
