

Certificate of Appropriateness

LIVING WITH HISTORY

Milwaukee Historic Preservation Commission/809 N. Broadway/PO Box 324/Milwaukee, WI 53201-0324/414-286-5712

Property 2436 N. SHERMAN BL.
Description of work Install 5-foot high Aluminum fence and gate, black in color, consisting of 5/8-inch pickets. The complete length of the fence will be approximately 4 feet on the North side of the driveway and 2 feet on the South side of the driveway. The gate that extends across the driveway will be approximately 8 feet in length.
Date issued 7/12/2009 PTS ID 59941 COA

In accordance with the provisions of Section 308-81(9) of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has issued a certificate of appropriateness for the work listed above. The work was found to be consistent with preservation guidelines. The following conditions apply to this certificate of appropriateness:

All work shall be done according to submitted drawings and or Photos. Cascade fence sections shall be used. The fence and gate will run parallel to the city sidewalk and be located approximately 40 feet from the sidewalk.

All work must be done in a craftsman-like manner, and must be completed within one year of the date this certificate was issued. Staff must approve any changes or additions to this certificate before work begins. Work that is not completed in accordance with this certificate may be subject to correction orders or citations. If you require technical assistance, please contact Carlen Hatala of the Historic Preservation staff as follows: Phone: (414) 286-5722 Fax: (414) 286-5722 E-mail: chatal@milwaukee.gov.

If permits are required, you are responsible for obtaining them from the Milwaukee Development Center. If you have questions about permit requirements, please consult the Development Center's web site, www.mkedcd.org/build, or call (414) 286-8210 or 8211.
