Contracting

Me² Focus on Energy Small Business Allies

These contractors provide services for all Me² qualified projects and are able to access all commercial Focus on Energy incentives.

These contractors perform walk-throughs of customer facilities and identify opportunities for energy efficiency. Electrical contractors also perform lighting retrofits and design.

These contractors may charge a fee for this service. Ask for details.

Me² Commercial Contractors

Businesses may select any contractor from the list and are encouraged, but not required, to get three bids for service. These contractors provide support services for Me² qualified projects as support for Focus on Energy incentives. Me² Commercial Contractors can work on projects eligible for PACE Commercial Financing.

If your PACE project is more than \$250,000 you must select a contractor that offers Performance Contracting (checkbox icon).
